

Become an Associate Member

The associate member program is not designed to replace, affect or compete in any way with active club membership, since club involvement is the life line of our organization. Associate members are simply that—associated with a cause they believe in but are unable to actively participate in.

The associate membership costs \$36.00 a year and offers many benefits of membership. The only restriction is that an associate member has no voting rights at district or international convention, although we do encourage attendance.

The application below can be sent to:
Civitan International, PO Box 130744,
Birmingham, AL 35213-0744
FAX: (205) 592-6307

Associate Member Benefits

- Civitan Magazine, which will keep you abreast of the many programs, events, and work Civitan continues to do.
